## 2024 Football NSW State Awards

### John Tansley

John Tansley is a true champion of the Manly Warringah Football Association community.

Over the last 20 years, John has not only played a huge part in the operations of Beacon Hill Football Club, but he has also played a leading role in the MWFA's Defib and Football4All programs.

John joined Beacon Hill as a football player in 2004 and the following year stepped up to build the club's Over 35 teams to the point where they are now a leader in the Over 35 space.

Four years later he officially joined the Beacon Hill Committee as the Over 35 coordinator, although he had been doing the role without the recognition. He continued to drive that part of Beacon Hill Football Club in the years to follow.

John's community spirit was also a driving factor in starting and running off-season and pre-season six-a-side competitions, charity days and community days to raise money for the club. If there is a Football social function on, John will find a way to raise funds out of it for charity.

John also took on the much-needed but hard to find grounds coordinator role for five years at Beacon Hill Football Club, opening up and packing down the fields.

While his work with Beacon Hill was substantial, it is in the MWFA's Defib and Football4All programs where he has gone above and beyond.

John played a lead role in forming a group that drove the Defib program that has seen the MWFA a leader in this area for the past 10 years. Along with the assistance of others, John and his team drove the program, including the birth of the MWFA Defib Cup. It is still going strong today and widely regarded as the best Defib program in NSW.

On top of that John was a driving force in the MWFA's Football4All program at Cromer Park through a partnership with Active Opportunities, where he and an army of volunteer coaches spend every Saturday morning running a program for young football players with cerebral palsy and other related disabilities.

In 2017 John was awarded the MWFA Meritorious Service Award for his work with Beacon Hill Football Club and the Manly Warringah Football Association.

John is a respected and highly regarded member of the Manly Warringah Football Association and we are proud to see John Tansley earned the Football NSW State Award.

## 2023 Meritorious Service Awards

### Steve Harding – Seaforth FC

Steve Harding and his family have been with Seaforth for 23 years, starting in 2001. In the early years all four of his daughters played for Seaforth, making for busy weekends.

Then in 2011, Steve wanted to be more involved and began coaching his youngest daughter's team – he would coach girls' teams every year for 12 consecutive years.

Four of the players from those teams are in the current Seaforth Women's Premier League squad, which is the most successful team in the history of the club. With his passion for coaching and development of players, Steve can rightly claim to have played a part in laying the foundation for the WPL team's success.

Steve joined the club's committee in 2015, serving as Seaforth's Women's Youth Age Coordinator and Women's Grading Coordinator for four years until 2018. At the end of 2018, our long serving club president Richard Wright retired and that role remained vacant during 2019. However, that year Steve stepped up and took on an astonishing workload, performing six different committee roles. This included management of all gear and grounds, running the Women's Grading and a massive involvement in four other roles. During this period, Steve somehow found time to coach Seaforth's W16 Division 1 team. His influence was also felt away from the football field – he introduced barista coffee to the canteen (hooray!), as well as implementing a digitised system for stock and credit card payments in the bar/ canteen.

By the end of 2019 it was obvious that Steve's football experience, friendly way of dealing with people and corporate skillset made him the perfect candidate to be Seaforth's next club president. Fortunately for Seaforth, he offered to take on the role and was elected in 2020.

2020 was a short season due to COVID restrictions, but Steve continued his drive to modernise the club by implementing new services and processes. In 2021, 2022 and 2023, he took on several unfilled committee roles to make sure the club ran smoothly. Despite having retired from coaching at the end of 2021, in 2022 Steve coached Seaforth's W14 team for the season, even though he had no other connection to the team.

In 2022 and 2023, Steve championed both the upscaling of Seaforth's development programs and the push to re-energise the club's Men's U18, U21 and AL1 playing groups. As always, he was also a quiet driving force behind the Women's Premier League side, providing whatever support they needed. In addition to all of this, Steve guided and contributed to canteen improvements, making the Seaforth canteen, which is such an integral part of club culture, one of the best performing and most enjoyed in the association.

There's a positive vibe around the club amongst all age groups and Seaforth are well placed for future success. Much of that has come from Steve's enormous contribution and tireless efforts during the last five years. Seaforth FC know that they are extremely fortunate to have such a great "hands-on" club man leading operations and they are thrilled to see him being recognised by the association for all of his efforts over the last 13 years.

### Marianne Hardy – Beacon Hill FC

Marianne first joined Beacon Hill FC in 2012 when she volunteered to be the manager of her son's team. By the start of the 2014 season, Marianne had been appointed as the club's U6/U7 Coordinator. She then became Beacon Hill's U6-U11 coordinator in 2015, while also serving as the club's assistant registrar.

Over the next few seasons, Marianne continued to perform multiple roles in support of the committee. In addition to her youth coordinator and assistant registrar roles, she has acted as Beacon Hill's sponsorship coordinator, MWFA Delegate and judiciary representative.

Not satisfied with watching and volunteering, in 2016 Marianne began playing in the WO35 competition and she is now a WO40 player.

When the position of Beacon Hill President became vacant in 2021, Marianne volunteered to step into the breach and continues to serve as the club's President to this day. At a time when the club was struggling to fill committee roles, Marianne recruited new volunteers to supplement Beacon Hill's long-serving stalwarts. During this time, she has continued with her coordinator roles and managing her son's team.

Marianne Hardy is one of the driving forces in steering Beacon Hill Football Club towards the next phase of participation in MWFA competition.

### David Hodges – Manly Vale FC

David Hodges has been an incredible contributor to Manly Vale over the past 20 plus years. As the son in law of former Manly Vale President, Men's Premier League coach and player Les Cratchley, it was almost inevitable that David would be part of the Manly Vale family, alongside his wife Caroline and their children.

His involvement started as many others do, by managing his children's teams. This included when his daughters, Surrey and Lucy, played in Manly Vale's Premier League side, with David managing the Women's Premier League team for a number of seasons. Given the family history with the club, it was only a matter time before David's involvement began to grow. His time came when long-standing canteen manager Connie Greco stepped down in 2006, and Caroline took over canteen operations.

David has been there ever since and can be found every weekend working in the canteen at David Thomas Reserve, on the club's barbecue or manning the coffee machine. Being involved in the club's canteen led to David getting heavily involved as a groundskeeper, committing time every weekend to set up fields, mark field lines and pack up at the end of each day.

He can be found at David Thomas Reserve all-day on Saturdays and Sundays during the season, where he helps all comers and is always ready for a chat.

Manly Vale FC is very fortunate to have the contribution of David and his family.

## 2023 Meritorious Service Awards

### Wayne Pierce – Brookvale FC

Wayne's input has been greatly beneficial for the club, he is a quiet achiever who works behind the scenes in our grassroots football community.

He always gives his time unselfishly, whether it's helping to set up the fields at Grahams Reserve on frosty Saturday mornings, grading sessions, canteen duties, club presentations, or pretty much anything else that needs to be done.

His talent was seen at an early age when he was selected for the NSW U12 Boys team in 1979, while playing at Wakehurst. Wayne had a distinguished playing career in MWFA competitions, and he also played for Manly Warringah Dolphins (Manly United) in both juniors and seniors, collecting countless trophies.

In 1996, Wayne was appointed coach and player for Brookvale's Men's Premier League squad. Over the seasons that he played for Brookvale, Wayne won Player of the Year and Players' Player awards on several occasions, as well as being involved in a number of teams that won the Football NSW Champion of Champions tournament. Unfortunately, a serious injury in 2003 jeopardised Wayne's playing career.

Off the field, Wayne's football knowledge is second to none. He was instrumental in laying the foundations of a player grading system for junior teams eight years ago and those foundations benefit the club to this day. His work ethic and knowledge are crucial to Brookvale's final gradings – anybody involved in junior grading knows it is a difficult job but Wayne always delivers with a smile on his face.

Wayne's contribution as a coach and mentor began when his children started playing football at a young age for Beacon Hill. His son moved to Brookvale in 2017 to be part of their U/18 squad, and Wayne looked after this group of players for three years. Wayne also coached his daughters at the women's senior level, which meant that he was involved on Friday nights with his son, Saturday with the Men's Premier League squad, and Sunday with his daughters. U/18 training was on Tuesday, the WAL team trained on Wednesday and Men's Premier League training was on Thursday.

His experience has been invaluable when guiding young players into the club's Men's Premier League setup, with many of those players progressing into the 1st Grade side. In 2024, Wayne will be Men's Premier League Assistant Coach for the seventh consecutive year, allowing him to nurture better footballers by shining a light on Brookvale's history and culture.

Wayne Pierce and his family have always been available to assist Brookvale FC – he is truly a great club man.

## 2023 Meritorious Service Awards

### Joe Scaramuzza – Manly Vale FC

Joe joined the club over 20 years ago when his children Lauren and Tom started playing for Manly Vale in the Under-6s. Through the kids playing football, Joe and his wife Robyn met Vale stalwarts Caroline & Dave Hodges. After long-standing canteen manager Connie Greco stepped down in 2006, Robyn was instrumental in running the canteen alongside the Hodges family, which led to Joe, Robyn and their kids' spending weekends at David Thomas Reserve.

It wasn't long before he volunteered to help by marking fields, putting up nets and performing canteen / BBQ duties. Alongside Dave Hodges, Dennis Bayley, Neil Davison & Luke Ventress, Joe has been a key member of the club's groundskeeping team.

Joe has been tirelessly volunteering his time to the club for the past 16 years, and in addition to groundskeeping he always makes himself available for anything the club needs. Whether it's doing deliveries, fixing equipment, helping at club events or sorting the club's gear, he is always there to help.

Manly Vale FC is very fortunate to have the contribution of Joe Scaramuzza and his family.

## 2023 Meritorious Service Awards

### Roy Sider – Manly Vale FC

Roy is a Manly Vale local and loves The Vale. He joined Manly Vale as a young boy nearly 50 years ago and has played every season since then in the maroon and white.

Roy's playing career saw a number of Championship wins, with one highlight being an appearance in the Football NSW Champion Of Champions Final.

As his playing career keeps on going, Roy's playing style is that of a player who just keeps running. He can be seen running around David Thomas Reserve every day – there would not be anyone who has done more laps of Vale's ground.

In 2000, Tom Miles made the step up from Secretary to Club President and was on the lookout for a capable person who had the club's interest at heart. Tom didn't have to look far as he knew Roy was the right person for the job and thankfully Roy was willing to become Vale's Secretary. He is still in the role 23 years later and with his son Dimi due to start playing for Manly Vale next season, there is no sign of retirement on the horizon, especially as Roy has fantastic family support, particularly from his wife Angela.

Vale are blessed to have Roy as he is amongst the most experienced and capable club Secretaries in the MWFA. His abilities shone through when he navigated the complexities of dealing with the local council and government departments for grant funding – Roy's hard work resulted in the construction of new amenities and floodlighting at David Thomas Reserve, which replaced the antiquated facilities that had been there when he started playing for Vale 50 years ago.

Roy's commitment to football goes beyond Manly Vale. He has made himself available for many MWFA committees over the years and currently serves on the Appeals Committee. This is not Roy's first award – his contribution to football was recognised in 2012 when he received a Football NSW State Award.

Manly Vale FC is immensely grateful for the contributions of Roy Sider and his family.

## Select MUFC - NFSA - MWFA

Each year both MWFA and NSFA assemble a select team (a women's and a men's) to compete against each other during the preseason. MWFA will invite a coach, usually the coach of the year from the previous season to select a squad of 18 players representing all 17 clubs. MWFA Select teams then play MUFC.

## Chairperson's Report

What an incredible year we have experienced, a year that was filled with an unexpected array of events. A year, I am pleased to say, that ended in a very positive manner, with the appointment of our new CEO, Vicki Halpin. More on that later.

We have endured another year of interruptions due to constant rain and whilst I can understand the frustrations that inclement weather can have on our competitions, I must thank the clubs and the majority of our participants for their understanding of the decisions made to get as many games played as possible. The competitions team worked tirelessly behind the scenes to make this happen. It all culminated in three late Grand Final weekends that were a spectacle for all to see. We had thousands of people through Cromer Park to witness some amazing games with the passion of grass roots football on display throughout.

These events cannot occur without the full support of the committees of our 16 clubs. The effort these people put into their roles is priceless. Starting with the registrations, to grading teams and finding the managers and coaches that will make the year an enjoyable experience for the players. The gear stewards, canteen staff, age coordinators, secretaries, presidents and everyone else that assists in any way, thank you all, you are our game. We cannot do this without your efforts. Sincerely, thanks again.

I would like to thank the MWFA staff for the dedication and commitment. This ensured that the season ended in the most positive way possible. They were assisted in various ways by the MWFA Appeals, Competitions, Disciplinary, Grading Committees along with our Registrars. They all contribute in their own ways, we as an Association are extremely lucky to have these people donating their time. We also need to acknowledge our referees for the important job that they do every week and encourage everyone to treat them with respect.

When we look at our collective on field performances, we are second to no one. This season we had 9 teams playing at Cromer Park in the FNSW State Cup Finals, of which we won 6 titles. We also had 10 teams playing in the FNSW Champion of Champions Finals at Valentine Park. Four of these were eventual winners. Congratulations to all our clubs for making our competitions so strong. We also have a huge number of club players that move into the successful Manly United programmes, again this shows the strength and quality of our grass root clubs.

The above success will in some instances be due to the efforts of the MWFA Coaching Development Programme. The team are constantly around the grounds assisting in any way that will improve the coaching levels of our club coaches, which in turn benefits the players and the teams.

It would be remiss of me not to thank my fellow MWFA Board Members. They are a committed and dedicated group that always endeavour to do what is in the best interest for our great game.

Through our Board members and MWFA staff we continue to maintain and build on the strong relationship we have with The Northern Beaches and Mosman Councils along with FNSW. Our local councils must be thanked for what they do for football on the Northern Beaches. As for FNSW, Cromer Park held, for the second year running, the FNSW State Cup Finals. This again shows the trust that our governing body have in our ability to host a major event.

We also maintain a strong bond with our football neighbours NSFA, who we play against in a series of annual games, being the men's and women's select games. This year both were won by NSFA. We also have a Champions Cup for men and women, this is played between the age champions of each association that will be representing their association in the Champion of Champions series. NSFA won the women's trophy with the MWFA taking out the men's cup.

The MWFA are going through a restructuring phase. As you all know, David Mason resigned after 7 years to take up a position with Football Australia. We wish Dave all the best for his new journey and thank him sincerely for his many achievements over his time spent with us.

The search for a new CEO ended with the appointment of local identity, Vicki Halpin.

Vicki was involved in grass roots football for 15 years at Narrabeen, whilst working in senior roles for approximately 20 years with Lend Lease. We had over 70 applicants for the CEO role for both MWFA and Manly United. The high calibre of people interested in the role was incredible, with a large number of top candidates from our local community. We look forward to a new era under Vicki's guidance. I am sure we agree to say "Welcome Aboard"

We have also recently appointed a groundsman/ cleaner for Cromer Park and the Club House, this will assist in upgrading the appearance of the ground and surrounds. Furthermore, a restructuring of the office staff will begin in earnest early in 2025.

The future is certainly looking bright.

I hope you all have a great rest in the off season, enjoy a fabulous festive season and I look forward to catching up with you during 2025.

## 2024 – Record year for the MWFA

2024 will go down as a record year for the Manly Warringah Football Association with 20,089 registered winter players, becoming the first Association in history to surpass the 20,000 mark for a single season.

Not only were we the biggest but we could also lay claim to being the best with 10 teams making Champions of Champions Finals and 6 teams claiming Football NSW State Cup titles.

It has long been the MWFA's stated goal that it is more important to be the best than the biggest but as a united community we have once again proven you can do both.

Congratulations to our 16 Clubs and in particular the people at ABH United, who successfully negotiated the tough path of amalgamation to put together a strong first year on the field after all the hard work during the off season.

And while 2024 will go down as a record year, it is also a year of transition for the MWFA following my resignation towards the end of the 2024 season. I leave the MWFA after 7 years proud of what we have collectively achieved over the that time.

I'd like to thank the staff, Board Members and committee members but more importantly the volunteers at the Clubs, MWFRA and Manly United that make our football community the best Association that is the envy of all other Associations.

That understanding and unity was prevalent again in 2024 with rain once again proving chaotic, particularly at the start of the season.

A huge congratulations to Alysha Rowe, Lee-Anne Sestanovich, Sigrid Mulherin and the rest of the MWFA staff for the way they managed to reschedule more than 1,000-night football games to ensure you all played as many matches as possible given the adverse weather.

As I move on, I urge all Members of the MWFA Community to continue to work hard on ensuring a unified football ecosystem is preserved at all costs.

I look forward to watching games at the local grounds and Cromer Park and I will continue to be a proud member of the MWFA and Manly United Families.

I have no doubt that Vicki Halpin will do a tremendous job in the role and with the help of the staff and support of the clubs, continue to drive the sport forward on the Northern Beaches.

## 2025 – Our next chapter

Whilst I have only been in the role a few months it has certainly been a busy time for everyone. Early on I was able to go out to Valentine Sports Park and celebrate ten of our teams who made the Champions of Champions Finals. Congratulations to our four winners with two teams each from BTH and CC Strikers.

I have spent the last few months meeting with our dedicated team members, representatives from our 16 Clubs, local council members, Football NSW staff, other association Presidents and many families within our football community. These conversations are helping myself, the team and the Board better understand your needs and suggestions on how we can shape football on the Northern Beaches.

In the first half of 2025 I will be working with our Boards to develop a vision and strategy that will be shared with all our Clubs and their members to drive this great sport forward for many years to come.

As a volunteer within our grassroots football community, I would also like to thank David Mason for his tremendous efforts during his time at MWFA. From the covid days to where we are today as the largest Association within NSW, David should be very proud of what he and the team achieved.

Finally thank you to everyone for your kind support and words of wisdom in my first few months. I look forward to working with you to advance football on the Northern Beaches.

## Finance Report

The underlying operating surplus of the Company before development levies for the financial year ended 30 September 2024 that amounted to \$183,202 (2023: \$99,837 loss) prior to net development levy funding. In 2024, an additional \$112,111 was collected for the Facility and Sportsfield development fund as compared to \$157,098 in 2023. The Company is exempt from income tax.

The key points to note in this year's results are: -

- Player numbers in 2024 increased by 5.3% to 20,089 from 19,069 in 2023. The overall increase in player numbers were slightly higher than Board's expectations.
- Increase in revenue of 14.6% to \$3,468,310 as compared to 2023 to increased player registrations of 5.3% (20,089 vs 19,069 in 2023) due to positive impact of 2023 Women's World Cup particularly for girls registrations, the impact of budgeted increased per player for 2024 of approx. an average 7% per player due to increased fees charged by FNSW plus timing of revenue received for Masters Football.
- Increased fees paid to FNSW and FFA due to increased fees for 2024 of \$135,907 (that was included in the increased revenue noted above).
- Sportfields hire costs were lower in 2024 by \$49,293 due to the impact of a reversal of an over accrued cost from 2023 season for Mosman Council fees.
- Increased competition costs due increased cost for use of Dribl due to increased user numbers and additional costs for night games (total games played in 2024 of 738 vs 338 games in 2023).

### Net Asset Position

The MWFA's net asset position has continued to improve as a result of the improved trading result, with net assets now totalling \$3,313,140 (2023: \$3,017,826)

As of 30 September 2024, there was \$974,225 (2023: \$862,114) held in the Facility and Sportsfield development fund. This balance has increased in 2024 as we received \$200,890 in development income offset by payments of \$88,778 in November 2023 for the purchase of new goals for Under 12 fields required for the 2024 season and beyond of \$72,160 plus payments for new defibrillators of \$16,619.

The final deed of agreement to formalise the Memorandum of Understanding with the Manly Warringah District Soccer FC was finalised and signed in October 2024.

Given the extensive capital works that Northern Beaches Council have been undertaking on our playing fields, the MWFA Board continues to review of our strategic goals that will set the parameters for future budgets and use of the Facility and Sports field levies previously collected.

The below table show the operating profit/ loss and total expenses that we have incurred over the past seven years and what we are budgeting for in 2025.

### Other Matters

We have received the draft audit closing letter from Paul Turner of Turner Watson Corporate Service, and they have not identified any significant matters to be addressed. There were a few internal control improvements that have been identified and which will be implement soon. The audited 2024 financial results did not identify any adjustments to the results presented to the MWFA Board during the year.

Lastly, I would like to thank David Mason and Vicki Halpin, Derek Turner, MWFA staff and the MWFA Board for their efforts and support over the past year.

## Coach Development Report

The 2024 season was another very successful year for Coach Development in MWFA, with closer to 1,000 coaches supported across a variety of coaching courses and workshops, as well as training sessions and match visits. Overall, 15% of coaches supported through courses and mentoring were females.

This total does include a number of repeat customers, however this is also an indication of the positive experience that coaches have had when attending our courses, and the ongoing value they provide. Similarly, more than 30 coaches from outside of the Northern Beaches travelled to take advantage of the opportunity to attend our Coach Development events.

830 coaches in total attended 12 x MiniRoos courses, 3 x Foundation of Football courses, 10 x Coach Workshops, 6 x Game Leader workshops, 2 x club-based coach meetings and 2 x C-Diplomas. We also have 14 coaches participating in our Future Coaches Program, and at the time of writing, there is one final Coach Workshop still to take place this year.

Despite many weeks of washed-out training sessions and matches, we were still able to support 116 coaches through personalised mentoring with their actual teams in their own environments, which is the most effective way to help them learn 'on the job'.

The combined total almost matches our record season in 2023 where we supported 1,023 coaches and is largely due to the high number of dates made available across different clubs and spread out across the entire season, providing plenty of follow up development opportunities to encourage long term learning.

On a personal note, I am obviously very satisfied with this outcome, after a very busy but productive year despite the challenges and complications with the weather. Credit must go to all of the coaches who develop themselves for the sake of their players, especially those who've come back more than once. Most importantly, although there is still plenty of work to do, every year we are seeing an increasing number of players having a positive experience in the sport, with more engaging and game-realistic training sessions, and player-centred coaching.

I would like to express my thanks to all of the clubs who hosted and helped promote all of our events this season, as well as acknowledge the hard work and quality of support that was provided to coaches by my team, in particular the Coach Mentors who made a big effort to be available as often as they did: Gregor Agic, Marilinda Winter, James Mitchell, Catriona Ormond, Sai van Wegen, Patty Faria and Gareth Banks.

The MWFA Coach Development team would like to wish every player, coach, club volunteer and parent a safe and happy holidays, and we look forward to seeing more quality football in 2025.

***Coach Development is an investment, not a cost***

## Manly United FC – Chairpersons Report

As the season concludes I just want to give all our members (you the Clubs) an update on the progress of your representative teams called Manly United FC.

So, who are we, well we are the representative arm of the MWFA and its 16 Clubs, our mandate is to identify & develop young players (boys & girls) from the Northern Beaches area who have exceptional skills & ability to play and progress to state, NPL, A-League, overseas or international level.

So how do we do this, well we try to create a pathway for our 20,000 players where development generally starts at junior or foundation levels (age 6,7,8) before being selected to progress further through our SAP or now known as JDL (Junior Development League, ages 9-13) and onto youth leagues (age 13/14-18s). Our success rate of locals playing U20s (reserve grade) or 1<sup>st</sup> grade for Manly FC is very high with even more going onto to play at a higher level.

Going forward Football Australia in conjunction with FNSW will change the structure of youth development to meet current FIFA and AFC elite standards, this will commence in 2026 where every NPL club has to have in place a structure or Academy system to comply, each Club will be graded on an ABC or gold, silver bronze standard and after two years your Club will be regraded accordingly. The standards involved include facilities, coaching structures, league table position and general administration setup, fortunately we meet most of those standards already and are confident of being awarded a very high accreditation and being one of the elite Clubs.

There has been much talk about the National Second Division (NSD) or B-League and why aren't we part of it. The MUFC board looked at all the options and found that financially it just wouldn't work, the original criteria would have cost us so much money that the numbers just didn't stack up. I think that our decision has now been proven correct with the new end of season Champions League format in its place instead which we can be part of it without committing hundreds of thousands of dollars to.

On separate pages the Technical Directors (male/female) of MUFC will give you more intimate details of how our youth teams progressed during the year.

**Ray Fanning**  
Chairman - MUFC

## Manly United FC – Men's Report

The past season has been a productive and successful year for our club, marked by significant development across all age groups. Our U13 to U15 squads have shown strong progress in their technical, tactical growth, laying a strong foundation for future success. The U16 and U18 teams achieved notable successes, culminating in both teams winning their respective championships with the U18's also winning the league. Furthermore, the advancement of players to A-League academies and multiple state and national team selections underscore our commitment to nurturing talent capable of competing at elite levels, we also had numerous U18 players make the move up to the U20's squad.

Our SAP program continues to focus solely on technical development with all age groups strong in their respective leagues. Our U9 squad looks exceptionally strong compared with other clubs, as with the U12's who are now moving to the Boy's Youth League with all spots in the U13's for next season filled with Manly players.

Once again, we had our U13's and U15's travel to Europe to compete in the East Mallorca Cup with both squads competing well against the likes of La Liga team Barcelona and Liverpool FC. Whilst also having the opportunity to have training session coached by both Barcelona and Valencia academy coaches. These tours continue to show both the players and parents a level of football we rarely experience in Australia.

This year, several individual players achieved significant milestones, Miles Milliner from our U15's squad achieved selection in the Joeys squad for the U17's Asian Cup qualifiers in Kuwait in which they won their group and have qualified for next year's U17 Asian Cup in Saudi Arabia. We had the following players all be selected to represent NSW at the National Youth Championships in Wollongong, Louis Jones (U16), Ben Mooney (U15), Seok Mcgee (U15), Kit Harper (U15) and Miles Milliner (U15). Ben Mooney and Joshua Barber (U13) have both chosen to take up Sydney FC offers and Will McCreery (U16) has moved to Western Sydney Wanderers for next season and we had 5 other players turn down the offer from A League academies to continue to develop at Manly Utd. All this underlines our club's ability to develop talent capable of excelling beyond the local level.

In October and November, we have a number of players aged 17 to 19 years of age training and playing in Serbia, Bulgaria and Spain under the eyes of a number of top European academy coaches and scouts, some of these players we have been able to put into top academies for 4 weeks of fulltime coaching in their U19 Champions League squads.

Over the next year we will continue to maximize pathways for player advancement, look to form partnerships with those academies overseas, to provide more exposure and development opportunities for our players.

I'm look forward to building on this year's accomplishments and to continue developing talent and striving for excellence in all facets of the program.

**Jason Bennett**  
Technical Director - MUFC

## Manly United FC – Men's Report

2024 was an incredibly successful year for the Manly Warringah AYL program. This program is designed to offer MWFA players their first step on the pathway to representative football, and this year saw exceptional team and individual development across all age groups. Every age group made it to the playoff semi-finals, with the U13, U15, U16, and U18 teams advancing to the grand finals. A special mention goes to the U15, U16, and U18 teams, who all won their league titles, losing only a handful of games throughout the season.

The grand finals proved to be a memorable day for our players and coaches. The U13, U16, and U18 teams emerged victorious, while our U15 team fought hard but narrowly missed out on the win.

We are immensely proud to see many of our players signing with NPL1, NPL2, and NPL3 clubs, including Manly United, while others have chosen to stay with us for 2025 to continue developing their skills. All new signings come from the MWFA area, and the caliber of players continues to rise year after year. We look forward to another successful season in 2025.

Our U9-12 MWFA SAP teams have also had an outstanding year within the club. Highlights included top performances at the Sydney FC Cup, where our players matched every team in both effort and skill. We remain focused on supporting and developing young MWFA players to enhance their football skills for both their current and future success.

**Joe Fox**  
Head of Youth Football - MWFA

## Manly United FC – Women’s Report

2024 saw the Manly United FC women’s program field teams in the FNSW NPL Competition in grades 14, 15,16,18, Reserve Grade and First Grade.

This year, the GYL teams had the most successful season in our history.

Table positions were as follows:

14s – First and semi-finalist

15s – First and Grand Final Runners-Up

16s – Sixth

18s – Fourth and Grand Final Winners

Our senior teams were highly competitive, and until the A-League players were allowed to enter the NPL competition (Round 12), both Reserve and First Grade were in first position.

The final positions were Reserve Grade sixth and First Grade eighth.

We fielded teams in U10, U11, U12, U13 in the FNSW GSAP competitions and under-pinned our GSAP program with 5 x Girls Development squads in grade U9, U10, U11, U12, U13.

9 of the First Grade squad this year were Manly United juniors.

Kahli Johnson was also a full-time scholarship holder with the Future Matildas program and a member of the Young Matildas. She was a key player of the squad that competed in the U20 World Cup in Columbia.

Sienna Dale represented Australia in the Junior Matildas at the U17 AFC Women’s Asian Cup.

Mackenzie Jeffs was selected in the U16 NSW state team and competed in the National Youth Championships who won the tournament.

Season 2024 saw the continuation of our Individual Youth Development Program within our GSAP and GYL programs. We were very happy with the outcomes achieved and have plans to continue the program in 2025 with a few tweaks.

Our youth development programs, playing style, fair play, integrity, and facilities are second to none, along with highly qualified, experienced and dedicated coaching staff, which is why we are often referred to as the ‘model’ women’s youth development program in NSW.

Once again, I consider myself fortunate to have held the position of Technical Director of the women’s program at Manly United FC this year. Our players are a delight to work with from the SAP and Development Squad programs right through to First Grade.

Most of whom have learnt their trade at MUFC, many from as young as 10.

I know I speak for our coaching staff when I say that we are very fortunate to be charged with the responsibility of developing the best of the best on the peninsula and every year we work harder to do just that, whilst ensuring we have a balanced, nurturing environment where enjoyment and development is paramount, particularly in the youth grades.

Believing in what we do, not veering from the script and working together as a unit is why we are at the top of the female development in NSW.

This year saw the 9th year of our Girls SAP

Our Girls SAP program is underpinned by five development squads for players registered in MWFA clubs – U9,U10, U11, U12 and U13.

We have a commitment to developing home grown juniors so that our senior squad continues to draw from our youth grades both in the short term and in the future and the Girls SAP is certainly providing the best platform for this to continue.

We are in the business of developing elite footballers for Manly United and beyond, whether that be the A-League or National Teams and I am proud to say we are on track.

**Sharon Egger**  
Technical Director - MUFC

<b>Item 7</b>	<b>Matters Arising from the 2020 AGM minutes</b>	
	There were none.	
<b>Item 8</b>	<b>Presentation of Meritorious Service Awards</b>	

	<p><b>8.1 Steve Harding (Seaforth Football Club)</b>  Steve Harding and his family have been with the club continuously now for 23 years starting in 2001. In 2011 Steve began coaching and many of the girls from those teams are in the successful Women’s Premier League squad. Steve joined the club’s committee in 2015 and when the long serving club president Richard Wright retired in 2019 Steve took on 6 committee roles to fill the breach. (It would be remiss not to acknowledge Richard, who sadly passed away in 2023). He officially stepped in as Club President in 2020, a position he still holds today. During that time, he has picked up a number of unfilled roles and implemented new services and processes to the club, including improvements to the canteen which is such an integral part of club culture. For his service to the Seaforth Football Club and the MWFA competitions, we are delighted to award Steve Harding the MWFA Meritorious Service Award.</p> <p>The MWFA presented Steve Harding with a Meritorious Service Award.</p>	
	<p><b>8.2 Marianne Hardy (Beacon Hill Football Club)</b>  Marianne first joined Beacon Hill Football Club in 2012 when she volunteered to be the manager of her son’s team. Over the years she also filled the assistant registrar, youth coordinator, sponsorship coordinator, MWFA Delegate and judiciary representative. Not satisfied with watching and volunteering, in the 2016 season she began playing in the WO35 competition and continues to play to this day. In 2021, the position of Club President became vacant, and Marianne volunteered to step into the breach. At a time when the club was struggling to fill committee roles, Marianne set about drawing new volunteers, supplementing the long serving Beacon Hill stalwarts. Being President didn’t get her out of her coordinator roles, nor from managing her son’s team, roles she continues to fill. For her service to the Beacon Hill Football Club and the MWFA competitions, we are delighted to award Marianne Hardy the MWFA Meritorious Service Award.</p> <p>The MWFA presented Marianne Hardy with a Meritorious Service Award.</p>	
	<p><b>8.3 David Hodges (Manly Vale Football Club)</b>  David Hodges has been an incredible contributor to Manly Vale Football Club over the past 20 plus years. As the son in law of former Manly Vale President, Les Cratchley, it was inevitable he would be in the Manly Vale club family alongside his wife Caroline and their children. His involvement started as many others do, by managing his children’s teams and it was only a matter time for his involvement to grow. Dave’s time came when his wife Caroline took over as canteen manager in 2006 and he has been there ever since. He is also heavily involved as a groundsman committing his time each weekend to the setting up of the fields, line marking and pack-up at the end of each day. For his service to the Manly Vale Football Club and the MWFA competitions, we are delighted to award David Hodges the MWFA Meritorious Service Award</p> <p>The MWFA presented David Hodges with a Meritorious Service Award.</p>	
	<p><b>8.4 Wayne Pierce (Brookvale Football Club)</b>  Following a long and distinguished playing career in the MWFA competition and representing Manly Warringah Dolphins (Manly United) Wayne entered coaching in 1996 and following a serious injury in 2003 he stepped up his off-field roles. He was instrumental in laying the foundations on player grading system for junior teams in 2015. Wayne’s</p>	

	<p>contribution as a Coach and Mentor has included both his children and the men’s Premier League squad, where he has filled a crucial role for the Club in guiding young players into the Premier League. And Wayne has again committed to that role going into 2024, which will be his seventh consecutive year. He is a quiet achiever and works behind the scenes in our grass roots football community and is truly a great club man. For his service to the Brookvale Football Club and the MWFA competitions, we are delighted to award Wayne Pierce the MWFA Meritorious Service Award.</p> <p>The MWFA presented Wayne Pierce with a Meritorious Service Award.</p>	
	<p><b>8.5 Joe Scaramuzza (Manly Vale Football Club)</b>  Joe joined the club when his children Lauren and Tom started playing for Manly Vale in the Under 6’s over 20 years ago. In 2006, Joe’s wife, Robyn, was instrumental in running the canteen alongside the Hodges family. This led to Joe, Robyn and kids spending their weekend at David Thomas Reserve and it wasn’t long before Joe was volunteering to help out marking the fields, putting up nets, working the bbq and in the canteen. He is a key member of the club’s groundsmen team and has volunteered his time for the club for the last 16 years - doing deliveries, fixing broken equipment, helping out at presentation days, club functions and sorting gear. He is always there to put his hand up to help. For his service to the Manly Vale Football Club and the MWFA competitions, we are delighted to award Joe Scaramuzza the MWFA Meritorious Service Award.</p> <p>The MWFA presented Joe Scaramuzza with a Meritorious Service Award.</p>	
	<p><b>8.6 Roy Sider (Manly Vale Football Club)</b>  Roy Sider joined Manly Vale FC as a young boy nearly 50 years ago. He has played every season since in the maroon and white. In 2000 Tom Miles was making the step up from Secretary to Club President and Roy gleefully accepted the role as Secretary. Twenty three years later he is still in the role and is one of the most experienced club secretaries within the MWFA. He was instrumental in assisting with grant funding which resulted in the approvals and construction of new amenities and floodlighting at David Thomas. Roy’s commitment to football goes beyond Manly Vale as he has made himself available for many MWFA committees over the years and currently serves on the MWFA Appeals Committee. In 2012 Roy was the recipient of the Football NSW State Award. For his service to the Manly Vale Football Club and the MWFA competitions, we are delighted to award Roy Sider the MWFA Meritorious Service Award.  The MWFA presented Roy Sider with a Meritorious Service Award.</p> <p>All present warmly congratulated both Suzy Broughton and Greg Dick for receiving Football NSW State Awards. Both were well deserving, noting that it is impressive to be acknowledged at that level within the wider football community.</p>	
<b>Item 9</b>	<b>Presentation and adoption of 2023 Annual Report</b>	
	<p>David Wilson called for a motion that the Annual Report be accepted by the meeting. This was motioned by Tom England and seconded by Dan Mijovic.  THE MOTION WAS CARRIED BY MEMBERS (18-0)</p>	

<b>Item 10</b>	<b>Presentation of the 2023 Financial Report</b>	
	<p>Joseph Sorbara highlighted the longer report within the Annual Report to provide context for the finances. At an operating level there was a loss of \$99,837 compared to a surplus in 2022 of \$120,419. Another \$157,000 was placed into the Development Levy set aside for major programs. Player numbers were as expected.</p> <p>In previous years fees had been contained, and during 2023 costs had increased, due to Office staffing levels to meet the growing demand, a larger than previous year referee payments due to increased coverage and increases to sporting and ground hire. A backdated invoice to Mosman Football Club had been paid for training (this is due to Mosman Council charging differently for both training and ground hire whereas Northern Beaches Council charges one fee).</p> <p>There had also been an increase in revenue of \$60,000 with term deposits attracting 5% and the trading account earning 3.5%.</p> <p>When trading at a loss the Balance Sheet shows the MWFA maintained the status quo. Page 75 in the Annual Report shows losses over the last six years and projections moving forward to 2024. This forecast an accumulated loss over seven years.</p> <p>Fees need to be adjusted in 2024 to offset associated costs in order to avoid diminishing reserves.</p> <p>There is \$925,000 in the Development Levy enabling the MWFA to be well equipped to meet the needs of maintenance and upgrades for all Clubs and Association. Projects have been identified by Northern Beaches Council which the Association will assist with. Goalposts have been secured for the changed format for the U12 competition next year, to be distributed to Clubs shortly.</p>	
<b>Item 11</b>	<b>Adoption of 2024 Budget (including consideration of Honorariums)</b>	
	<p>Joseph Sorbara stated the budget for 2024 is forecast to show a loss of \$40,000.</p> <p>Fees will be adjusted, and minimised where possible. Fees from Football NSW had increased for senior players mainly due to increased insurance costs. Fees will increase for all players in 2024 with an aim to breakeven.</p> <p>In response to a question from Steve Harding (Seaforth) about potential increase in female players as a result of Australia and New Zealand hosting the recent Women’s World Cup, David Mason indicated that numbers should increase but as confirmation was not yet known the budget reflected the same number of player registrations as 2023, as has been common practice in. recent years.</p> <p>Honorariums to remain the same for 2024, if adopted. Payments reflected the increase in meetings by attendees and delegates on the Disciplinary Committee. The budget also includes capability to allow a Director from Manly United FC to join the MWFA Board. This had not been utilised in 2023 by Manly United FC.</p>
